Re: United States v. Nigel Francis
22 Cr 491 (NSR)

Dear Judge Roman:

I write with the consent of the Government, requesting that the Court adjourn the sentencing of Mr. Francis scheduled for September 20, 2024, to a date in early December. I have conferred with AUSA Stephanie Simon who does not object to this request.

The reason for the request is that a mitigation expert retained by the defense requires additional time to prepare a report.

I will be on trial for approximately two weeks commencing on November 4, 2024 and in the midst of preparation in the weeks before that.

Accordingly, I respectfully request that the Court adjourn this matter to a date in or about early December.

Thank you for your consideration in this matter.

Respectfully,
Daniel S. Parker
